## TAKE Solutions adds Cadila Pharmaceuticals to their growing list of clients

### Widens penetration amongst top Pharma companies

Chennai, April 27, 2009 - Cadila Pharmaceuticals, one of India's most reputed, Research based, Technology intensive pharmaceutical companies have tied up with TAKE Solutions Ltd. (BSE: 532890), leaders in Supply Chain Management (SCM) and Life Sciences products, for their PharmaReady eCTD, SPL and PPM software.

Expressing satisfaction on the new addition to their ever-expanding client base, Mr. Ramesh L, Vice President - Sales, Life Sciences APAC, TAKE Solutions said, "Cadila Pharmaceuticals Ltd. is a valuable addition to our growing list of Indian Customers. At a time when technology is an imperative benchmark for faster and better performance, products and services, we look at such associations as a step ahead towards strengthening our stand in the Indian market." He further added that, "In less than twelve months of launching the products in India, we have been able to associate ourselves with a brand like Cadila, which proves the reliability of our products for top notch companies."

Indravadan A. Modi, Chairman, Cadila Pharmaceuticals, said "After carefully evaluating various vendors in this space for over six months we decided to partner with TAKE Solutions for our regulatory submissions management. PharmaReady suite of products meet our specifications on technical requirements and their team is highly experienced and have the right infrastructure to provide the required on-time support. Being in the league of the larger pharma players in the country, we see tremendous potential in the solutions offered by Take solutions and are expecting PharmaReady to ensure seamless performance."
