FOR IMMEDIATE PRESS RELEASE

TAKE Solutions Earns High-Impact Gold Recognition in Microsoft Gold Partner Program

Princeton, NJ — July 19, 2006 — TAKE Solutions announced today it has achieved Microsoft Corporation's High-Impact Gold Partner Certification recognizing TAKE Solutions' expertise and total impact in the technology marketplace. As a High-Impact Gold Partner, TAKE Solutions has demonstrated expertise with Microsoft technologies and proven its ability to meet customer needs. Microsoft Gold Certified Partners receive a rich set of benefits including; access, training and support — giving them a distinct competitive advantage in the marketplace.

“Microsoft Corporation critically evaluates the organisation at various levels before awarding certifications. That TAKE was found eligible for this prestigious certification speaks volumes about our business efficiencies. This landmark achievement underlines our position as a technology innovator, said **Mr. S. Sridharan, Managing Director, TAKE Solutions**. “With this certification we re-iterate our commitment to provide superior services to our clients and relentlessly align ourselves with industry best practices”, he added.

“Only organizations demonstrating superior customer service, proven experience, and advanced certification receive the designation of Microsoft Gold Certified Partner,” said Allison Watson, vice president of the Worldwide Partner Sales and Marketing Group at Microsoft. “Today, Microsoft recognizes TAKE Solutions for its skills and expertise in providing customer satisfaction with Microsoft products and technology.”

As a High-Impact Gold Partner, TAKE Solutions has demonstrated expertise with Microsoft technologies and proven ability to consistently meet customers' needs. Microsoft Gold Certified Partners receive a rich set of benefits including; access, training and support — giving them a distinct competitive advantage in the marketplace.

The Microsoft Partner Program represents Microsoft's ongoing commitment to the success of partners worldwide. The Microsoft Partner Program offers a single, integrated partnering framework that recognizes partner expertise, rewards the total impact that partners have in the technology marketplace, and delivers more value to help partners' businesses be successful.

TAKE Solutions, a technology enabled business solutions company with leadership in Supply Chain Management and Life Sciences, has an employee strength of 450. Headquartered in Chennai, the company has its SCM Domain Excellence Centre and Global Delivery Centre in India.
