

Press Release

TAKE Solutions and Reliance Life Sciences enter into a strategic alliance

India, Chennai, June 02, 2010 : TAKE Solutions Ltd. (BSE: 532890), leaders in Life Sciences and Supply Chain Management (SCM) products, announced that the company has entered into strategic partnership with Reliance Life Sciences to supply its unique and innovative PharmaReady eCTD, SPL and PPM modules.

The seamless integration of TAKE Solutions' technologically advanced products will not only support Reliance Life Sciences in strengthening product development services; but these customized IT solutions will also add a cutting-edge finesse to the present line of business.

With its strong background and industry knowledge, TAKE's Warehousing & Clinical Systems Development and Integration tools will deliver a full spectrum of Information Management Services, leveraging on industry data standards to streamline the clinical information lifecycle.

"We were looking out for a submission solution that can address our current and future requirement of our organization that enables our regulatory submissions. Also, in addition to software solutions, we wanted to partner with an organization that understands our business dynamics, and could work with Reliance Life Sciences to enhance the business process and solution set over the time to come. After a detailed market search, and understanding of the solutions available, TAKE Solutions emerged as a definite choice for us as the solution set offered us flexibility and options for customization, while meeting the core requirements. Also, TAKE Solutions as an organization has the right credentials, industry expertise and resource strength that we were looking for." said **Mr. Gopal Rangaraj, Vice President IT, Reliance Life Sciences Pvt. Ltd.**

"We are extremely pleased to partner with Reliance Life Sciences. Our engagement with such a credible and commended Life Sciences solution major is evidence of TAKE Solutions' comprehensive understanding of the business, the challenges and proven track record of providing intelligent and innovative clinical regulatory solutions," said, **Mr. Ramesh L, Vice President - Sales, Life Sciences APAC, TAKE Solutions Ltd.**
