## **TAKE SOLUTIONS, INC. LAUNCHES NEWLY DESIGNED CORPORATE WEB SITE**

[WWW.TAKESolutions.com](http://WWW.TAKESolutions.com)

**Princeton, NJ – August 15, 2006** — Today TAKE Solutions, Inc. announced the launch of its newly designed corporate web site, [www.TAKESolutions.com](http://www.TAKESolutions.com). The new web site features clearer navigation, more focused content, and a cleaner user interface for enhanced usability. The website was collaboration from three web design firms in Raleigh, NC — Hardin & Bowles, Cool Cat Creative, and CyberScribe Web Solutions.

With solutions and technology expertise in Life Sciences, Supply Chain Management, Real Time Enterprise, Data Warehousing & Business Intelligence, Financial Services & Insurance, Government, and Microsoft .NET Solutions, TAKE Solution's track record in delivering world-class solutions is well-represented by its new corporate web site.

TAKE Solutions' new site provides expanded information about its product and solutions offerings, customers, news, events, and global organization. Also introduced on the site are new graphics, and easy to navigate selections that provide fast and intuitive user interactivity. New and returning guests will experience enhanced navigation and communication throughout the site.

“Thanks to our expanding solutions portfolio and global customer base, the opportunity to present existing and future clients and partners with business solutions that align with specific industry verticals and geographic markets was apparent. Our history and commitment of *enabling business efficiencies through specialized solutions* is clearly reinforced by our new site”, stated Robert MacDougall, Executive Vice President of Sales and Marketing.
